damages, compensation or benefits payable by or for Contractor or any subcontractor under worker compensation acts, disability benefit acts or other employee benefit acts.

The following terms and conditions related to Insurance shall apply:

Liability Insurance Requirements.

The Contractor shall maintain general liability insurance, on a per occurrence basis, with a quality company authorized to do business in Virginia during the life of the Contract and furnish Owner Certificates of Insurance, or other appropriate evidence of coverage as may be required by Owner, naming the Contractor as insured and its subcontractors, Owner, and Owner's officers, officials, agents, board members, employees and volunteers as additional insureds, providing coverage against any and all claims for property damages or bodily injury (including death) incurred in connection with the services to be provided under this Agreement. Minimum limits of liability shall be as indicated below:

Commercial General Liability: \$1,000,000.00 Per Occurrence and \$2,000,000.00 In the Aggregate to include Contractual, Owners and Contractors Protective, and Personal Injury (Libel, Slander, Defamation of Character, etc.)

The above amounts may be met by an umbrella liability policy following the form of the underlying primary coverage in a minimum amount of Five Million Dollars (\$5,000,000).

Workers' Compensation Requirements

The Contractor will obtain and maintain during the life of the Contract the statutory Workers' Compensation and Employer's Liability Insurance for all of its employees engaged in work on the Project under Contract. The Contractor shall require similar coverage by all subcontractors.

Notice of Cancellation

The policy or policies required hereunder shall contain substantially the following special provision, unless otherwise agreed by Owner: "The Company agrees that thirty (30) days prior to cancellation or reduction of the insurance afforded by this policy, with respect to the contract involved, written notice will be sent by certified mail to the Executive Director, Roanoke Regional Airport Commission."

Additional Insureds

Prior to execution of this Contract by Owner, the Contractor shall provide the Executive Director with an exact copy of the additional insured endorsement naming the entities listed above as additional insureds, and a copy of the declaration sheet for every insurance policy required hereunder. The additional insured coverage provided under the Consultant's insurance policy shall be primary with respect to the Contractor's general liability, notwithstanding other insurance covering the Owner.

Insurance not to be a Limit on Liability

Nothing contained in the insurance requirements is to be construed as limiting the liability of the Contractor, and/or its subcontractors, or their insurance carriers may have under this Contract, including without limitation the indemnification provision contained herein. The Commission does not in any way represent that the coverages or limits of insurance specified are sufficient or adequate to protect the Contractor's interest or liabilities, but are merely minimums. The obligation of the contractor, and its subcontractors, to purchase insurance shall not in any way limit the obligations of the Contractor in the event that the Commission or any of those named above should suffer any injury or loss in excess of the amount actually recoverable through insurance. Furthermore, there is no requirement or obligation for the Commission to seek any recovery against the Contractor's insurance company before seeking recovery directly from the Contractor.

Insurance Company

Insurance coverage shall be in a form and with an insurance company approved by the Commission, which approval shall not be unreasonably withheld. Any insurance company providing coverage under this contract shall be authorized to do business in the Commonwealth of Virginia.

Notice to Commission

Contractor shall immediately notify the Commission in writing of any changes, modifications, expiration and/or termination of any insurance coverages and/or policies required by this Contract.

Umbrella Policy

The required limits of insurance for this Contract may be achieved by combining underlying primary coverage with an umbrella liability coverage to apply in excess of the general and automobile liability policies, provided that

such umbrella liability policy follows the form of the underlying primary coverage.

No Exclusions

The Contractor's insurance policies and/or coverages shall not contain any exclusion for the Contractor's sub-contractors.

Maintenance of Insurance

The continued maintenance of the insurance policies and coverages required by this Contract during the time that the Contractor is working for the Commission is a continuing obligation, and the lapse and/or termination of any such policies or coverages without approved replacement policies and/or coverages being obtained shall be grounds for termination of the Contractor for default.
